FOREWORD

The STUDENT HANDBOOK contains the scholastic and general regulations which govern the student body of La Salle College. BROTHER GREGORIAN PAUL, F.S.C.,
Ph.D., *President*

THE PRESIDENT'S MESSAGE

The aims of La Salle College as a Catholic Liberal Arts institution are clearly stated in the general catalogue. To achieve these objectives, it is necessary to state in some detail the reciprocal relationships which exist between the College and the students. These statements cannot be included in the general catalogue; therefore, we have issued this student Handbook.

The administration and faculty of the College request that you accept the Handbook, read it carefully, become acquainted with the duties of the College to you, and put into practice the regulations which are proposed for the mutual interest of all. We further expect you to accept in a personal way the responsibility of identifying your objectives with those of the College. We solicit your sincere cooperation in advancing the prestige of La Salle, that you and we together may share the full benefits of a Catholic Liberal Arts education.

BROTHER G. PAUL, F.S.C., *President.*

THE DEAN'S MESSAGE

Never before has La Salle College welcomed so large a student body as the group which entered in October, 1947. Today, it is not easy for a small college to remain small . . . And swelling numbers increase anonymity. Crowded lecture halls expand distances between students and faculty. Because there are more faces to recognize and more names to remember, fellow students are less familiar to each other.

La Salle cherishes its traditional faculty-student friendliness. The College wants each student to be an individual. The faculty is more disposed than ever to be as helpful as lies within its combined power.

Look upon the Dean's door as an open door. Feel perfectly free to drop in at any time. Whatever your problem be, you are always welcome.

HISTORY OF THE COLLEGE

In 1863 the late Right Reverend James Frederick Wood, D.D., then Bishop of Philadelphia, in conjunction with the committee consisting of Brothers of the Christian Schools, Reverend Clergy, and laymen, obtained from the State of Pennsylvania a charter incorporating La Salle College in Philadelphia.*

Their aim was to supply within the limits of Philadelphia the service of a college for Catholic higher education.

The nucleus of La Salle College had already been formed in September, 1862, as the Christian Brothers' Academy attached to St. Michael's Parochial School, at 1419 North Second Street. When the number of students became too large for the accommodations afforded by the building on Second Street, the property at the northeast

corner of Filbert and Juniper Streets, where the *Philadelphia Bulletin* now stands, was purchased. For nearly twenty years it remained thus centrally located and was a landmark in the Penn Square section until increasing enrollment forced its faculty to seek larger quarters. In September, 1886, it removed to the Bouvier Mansion, at the northwest corner of Broad and Stiles Streets.

Increasing numbers, again, as well as the demands of modern education, required another removal to a larger site, and in June, 1926, a tract of land at Twentieth Street and Olney Avenue was purchased for the erection of buildings which would meet these requirements. The college and faculty buildings were completed in June, 1929, and were occupied in September. Ground was broken for the College gymnasium and the preparatory school in May, 1929. These latter buildings were ready for use during the first semester of the school year 1929-1930.

During the summer of 1937 the East and West stands of the McCarthy Stadium were erected, providing seating accommodations for nearly ten thousand spectators. In 1938 the adjoining ten acres, east of the College, were purchased. The erection of the stadium, as well as the purchase of the additional property, was due, to a great extent, to the inspiration, business ability, and generosity of John A. McCarthy, K.C.S.G., and many loyal alumni and friends whose names will never be forgotten as long as there is a La Salle College.

On September 23, 1940, McShain Hall was dedicated by Cardinal Dougherty. This residence building is named in honor of John McShain, an outstanding alumnus whose generosity made possible this new building.

THE CHAPEL

The ideals and values of the spiritual order crown the apex of a La Salle man's education and training.

For this reason, the Chapel holds for him a special significance. Because it is conveniently located, every student finds it possible to drop in for a brief visit between classes. Periodically, services are held in the Chapel to which every student is welcome.

LEONARD HALL

Through the co-operation of the Federal Works Agency, a structure formerly used as an officers' club in Camp Patrick Henry, Va., was transported to the College campus. In excellent condition, the structure was remodeled to serve the purposes of a student-union building. Faced in brick, it blends with the present buildings on the quad-rangle. The building has been named Leonard Hall in honor of Brother G. Leonard, whose devoted work to the College is a cherished memory of many La Salle alumni.

Leonard Hall houses a furnished lounge, a luncheonette equipped according to the latest designs, the

Campus Store, a dining room for the secular faculty, a tonsorial parlor, the alumni and publicity offices, and a chaplain's office. The furnishings in the Leonard Hall lounge were provided by the La Salle Endowment Foundation as a sign of the Foundation's interest in La Salle men.

THE FACULTY

La Salle, a day college for Catholic young men, is conducted by the Brothers of the Christian Schools, popularly known as "Christian Brothers." The Christian Brothers are a teaching organization founded in 1681 by John Baptist de la Salle, a member of a long established French aristocratic family. De la Salle, after he assumed the dignity and responsibilities of the sacred priesthood, turned his attention and efforts to the education of the much-neglected children of the poor and middle classes of France. Inspired by Divine guidance, he was the instrument whereby the world-wide

congregation of the Brothers of the Christian Schools was founded. The genuine character of the holiness of life of de la Salle is confirmed by his canonization in 1900.

The work of the Christian Brothers has spread throughout the entire world; so that, today, they are the most numerous body of men in the Church devoted exclusively to teaching. Their number nears 15,000 members. In this country, the Christian Brothers conduct, besides La Salle in Philadelphia, Manhattan in New York City, St. Mary's in California, St. Mary's in Winona, Minnesota, and St. Michael's College in Santa Fé, New Mexico. The secondary schools under their direction are found in every large city of the country.

The Christian Brothers constitute a religious congregation. They are not priests and do not aspire to the priesthood, for their work flows from the conviction that the importance of Christian education warrants complete

and exclusive devotion. Theirs is a work of scholarship and holiness, of service to God, to Church, and to Country, in which Christian education of young men is the paramount objective.

The Christian Brothers at La Salle College are assisted in their work by members of the laity, recognized for their devotion to Christian principles of education and likewise eminent in their qualifications in their respective academic and professional fields. Together with the Christian Brothers, these seculars comprise a faculty whose scholarship and support of ideals of Christian education assure La Salle men of the highest and worthiest in educational values.

Note: The initials F.S.C. which follow a Brother's name, designate the first letters of the official title of the congregation: *Fratrum Scholarum Christianorum (of the Brothers of the Christian Schools)*.

STATEMENT OF AIMS

The faculty of La Salle College recognizes its ultimate aim to be that of Catholic education in general, namely, the development of personality in the light of the cultural and intellectual heritage of the past and as befits the spiritual dignity of man under the direction of the ideals of Christ. The program of studies is so ordered as to provide a liberal education which will accomplish this objective. Through a liberal education, the faculty hopes to bring about the combined development of the moral and intellectual powers of its students; to cultivate intellectual excellence in accordance with the principles of Catholic philosophy; to emphasize Christian morality as the vital force in character formation and the animating principle of sound citizenship.

To attain these aims, the faculty of the College endeavors, more specifically, to conserve and to develop the moral character and religious knowl-

edge of its students; to acquaint its students with the social and religious factors which have entered into the making of Western civilization and which contribute to the solution of contemporary problems; to provide a liberal culture by training in language, literature and history, correlated as intimately as possible with Scholastic philosophy; to give by means of the natural sciences, biology, and mathematics, a thorough training in scientific method and a basis of sound scientific thinking; to maintain a cultural environment and a stimulating atmosphere for the mind and soul of aspiring youth; to present the informational background and technical training necessary for successful study in professional schools; and to encourage participation in such recreational activities as are physically wholesome and socially sound.

FACULTY COMMITTEES

Faculty committees which bear direct influence on students are the following:

1. *Committee on Academic Standing and Degrees.*

Brother E. Stanislaus, *chairman*; Brother G. Joseph, Brother D. Augustine, Mr. Flubacher, Dr. Guischard.

This committee meets after semester examinations to discuss students who are not in good standing. Recommendations made in each case flow from the deliberations of the committee. This committee, likewise, determines whether a candidate has fulfilled the requirements for a degree. Should the committee deem it necessary, students may be asked to appear before it. Any communication to the committee by students can be filed with the chairman of the committee.

2. *Committee on Recommendations.*

As of the beginning of the Fall term, 1947, a new ruling becomes effective

concerning letters of recommendation in favor of students applying to a professional school or a non-professional school.

No student is permitted to solicit a letter of recommendation from individual members of the faculty. The College catalogue carries the explicit statement that all recommendations must come from the committee. Students desiring a letter of recommendation must apply for such by filing a request with the chairman of the particular committee empowered to recommend the student. The opinions of any or all members of the faculty are available to the Committee on Recommendations.

A. Applications for recommendations to professional schools, such as Medical Colleges and, likewise, applications for recommendations to graduate schools of science, are to be acted upon by the following committee:

Brother Christopher, *chairman*; Dr. Holroyd, Brother G. Raymond, Brother D. John.

B. Applications for recommendations to non-science professional schools, such as Accounting Schools, Schools of Business Administration, and Schools of Law, are to be acted upon by the following committee:

Brother Norbert, *chairman*; Mr. Henry, Mr. McCauley.

C. Applications for recommendations to non-professional graduate schools are to be acted upon by the following committee:

Mr. Flubacher, *chairman*; Brother E. Patrick, Mr. Barrett.

THE LIBRARY

The library is located on the first floor of College Hall. It contains most of the books a student is ordinarily called upon to consult. An experienced librarian and his assistants are available to the students for consultation on matters pertaining to the use of the library.

Hours:

Monday to Friday:

8:15 A.M.-6:15 P.M.

7:30 P.M.-9:00 P.M.

Saturday:

8:15 A.M.-12:00 Noon

Withdrawal of Books

Each student will be given a library card entitling him to withdraw books for home or library use. He must present this card each time a book is withdrawn, and he shall be held responsible for all books drawn on the card.

As a rule, books may be retained for a two-week period and may be renewed once.

Reference works (dictionaries, encyclopedias, and the like) are shelved in the main reading room. These are for use in the library only and may not be withdrawn for outside use.

Books placed on reserve by faculty members for the use of students following their courses may be withdrawn for use in the library. Many of them may be taken out for overnight use.

Regulations concerning these are posted in the "List of Reserve Books" at the charging desk.

A fine of two cents per day (higher in the case of reserve books) is charged for books not returned on time. During the period when a student owes a fine or retains an overdue book, his library privileges are suspended.

SCHOLASTIC REGULATIONS

1. *Registration.*

A student has registered when he has filled out:

- (a) 3 registration cards;
- (b) 3 approved roster cards;
- (c) 1 fee card;
- (d) a course card for each lecture and laboratory course.

The cards are approved by a member of the Dean's Registration Committee. They are taken to the business office for the Bursar's approval. He returns to the student the stamped course cards and a roster card for the student's use.

A medical certificate, the form of which is supplied to the student, must be properly filled out by a duly qualified physician and submitted to the Office of Admissions at the time of registration.

Two identification photos, one-and-a-half inches by one-and-three-quarters

inches, must accompany the medical certificate.

2. *Attendance.*

A student is expected to attend every class in each course for which he is enrolled. No student should excuse himself from class for the reason that he feels he has been placed in a course or a section below his level of achievement. In such a case, a student should report promptly to the Dean who will investigate the unsatisfactory placement and make whatever adjustments may be deemed necessary. A student is held responsible for all the work that he missed as a result of absence from class or laboratory.

Failure to be present in class or a laboratory ten minutes after the time when the instructor in charge opens a scheduled class or laboratory exercise constitutes an absence.

A "cut" is the privilege of absence from class without penalty from the Dean's office. It is enjoyed only by a student in good standing.

A student in good standing is permitted in each semester a maximum of "cuts" equal in number to twice the number of semester credit hours assigned to that course. "Cuts" are not to be regarded as a right but as a privilege reserved for conflicts with extra-curricular engagements, for sickness, and other unforeseen circumstances. A student is held responsible for all work missed because of "cuts."

A student who is doing unsatisfactory work by mid-term may lose the privilege of "cuts" at the discretion of the Dean.

All absences will be treated as unexcused absences unless excused by the Dean.

Absences are computed from the first class meeting of the semester. Absences due to late arrival, to postponement of enrollment, to change of courses, to unsatisfactory placement, are charged against the student unless excused by the Dean.

A student who has exceeded the limit of cuts allowed in a given course may be excluded from the course until permitted to return to it by the Dean.

Anticipated absences from class for which excuses are desired because of extra-curricular or academic engagements must be reported by the student to the Dean's office no later than one day before the actual day of absence. Where a group is involved, the proper authority in the group must arrange for the excuse.

3. Credit Hours.

A semester credit hour is defined as one hour of lecture, recitation, or the equivalent two hours of laboratory time per week for one term. The number of quality points per course is the product of the number of semester credit hours and the grade. An "A" grade is equal to three quality points per credit hour; a "B" grade, two quality points per credit hour; a "C" grade, one quality point per credit hour. Grades lower than "C" do not

merit quality points. (This system of quality points is not to be confused with the scholarship index point system. cf. No. 9 in this section.)

4. Full-Time Student.

A student who is enrolled for a semester in courses which have a total credit evaluation of at least twelve semester hours is a full-time student.

5. Scholastic Load.

No student ordinarily carries a roster having a total credit evaluation of more than eighteen hours. Permission to carry more must be expressly secured from the Dean. This permission is usually restricted to those who are on the Dean's list.

6. Special Student.

A student who is not enrolled for a degree, but who is qualified by previous preparation to take certain courses for credit is a special student. Credits earned by a special student may be counted towards a degree as soon as he has met all the requirements for

entrance and candidacy, provided that the credits thus earned be applicable to his program of studies for the degree. A special student cannot hold a scholarship nor take part in extra-curricular activities.

7. Additional or Extra Courses.

Additional courses over and above the regular roster assigned to the student may not be taken without the express approval of the Dean. There is an extra charge of \$12.50 per credit for each approved course taken in addition to the regularly scheduled roster. Ordinarily, only those students who are on the Dean's list are permitted to take extra hours.

8. Examinations and Grades.

Examinations are ordinarily given at the end of a semester. However, additional examinations are given whenever the instructors deem them advisable.

Students who for satisfactory reasons fail to take a semester examination at

the scheduled time may take a postponed examination. A postponed examination permit may be secured in the Dean's office.

A progress report (mid-term grade) in each course of every student is submitted to the Dean's office at the middle of each term. Permanent records are made only of the final course grades submitted at the end of a semester.

A report at the termination of the Freshman year is sent to the principal of the high school from which the student graduated.

A copy of course grades will be sent to parents or guardians at the end of the term.

In determining the final course grade, recitations, written examinations, and the final examination are considered. In recording the final grade for each course, the following system is employed:

- A—Superior (93-100)
- B—Very Good (84-92)
- C—Average (77-83)
- D—Passable (70-76)
- F—Failure (below 70)
- I—Incomplete
- W—Withdrawal

The "C" grade is given for work that satisfies the average requirements of a course. It means that the student has attained such familiarity with the content of a course and such ability to use this knowledge as may in fairness be expected of any student of ordinary ability who gives to the course a reasonable amount of time, effort, and attention.

The grade "B" is given to that student who adds to this average of satisfactory attainment a high degree of excellence in meeting some of the characteristic demands of the course, or a moderate degree of excellence in several of these. He may, for example, be conspicuous for unusual accuracy, completeness in factual detail, or per-

fection in form of work; for independence of method, for grasp of the subject as a whole, or for a touch of the constructive imagination. The "B" student, however, definitely fails to show such excellence in his response to one or more tests.

The "A" grade is given for superior work. It is a mark which signifies conspicuous excellence in meeting every demand which can fairly be made by the course.

The "D" grade is the lowest passing mark. It is given to that student who is below average in ability, knowledge, interest, effort and attention, but who is not completely unsatisfactory.

The "F" grade is given to a student who is so deficient in ability, knowledge, effort, interest, etc., that he does not merit a passing grade.

The "I" grade is a provisional semestral grade given by an instructor to a student who has otherwise maintained throughout the semester a passing grade in a course, but

who has failed to take the semester examination in the course or to complete certain prescribed course work. If the absence from the examination is excused by the Dean, the student will take a postponed examination not later than the middle of the next semester and will receive the grade to which his performance in that examination and his semester's work entitle him. If the absence is not excused by the Dean, or if the unfinished prescribed work is not completed to the satisfaction of the instructor by the end of a two-weeks' period following the beginning of the next semester in residence, the "Incomplete" will automatically become a "Failure."

The "W" grade is given to a student who receives permission to withdraw from a course, or who withdraws from the college before the end of the term. If the student's work at the time of withdrawal is satisfactory and if the reason for withdrawal warrants such, the withdrawal mark will

be WX; if the work is unsatisfactory, the mark will be WF.

No one but an instructor in a given course can assign or change a grade in that particular course. Such a change must have the approval of the Dean's office.

9. *The Scholarship Index.*

The scholarship index system is used at La Salle to determine a student's average grade. In determining the index, each letter grade is ascribed a numerical value as indicated below:

- A is valued at 4 points;
- B is valued at 3 points;
- C is valued at 2 points;
- D is valued at 1 point.

A point score is calculated for each course by multiplying the numerical equivalent of the letter grade by the number of semester hours. The scholastic index, or the average grade of all courses, is determined by dividing the sum of the point scores for all courses by the total number of semester hours. An example follows:

Grades	Subject	Value	Hours	Points
B	Religion 101	3	2	6
C	English 101	2	2	4
C	History 123	2	2	4
C	Mathematics 101	2	3	6
F	Biology 117	0	3	0
A	Economics 111	4	3	12
D	French 102	1	3	3
			18	35

The scholastic index is 1.94, the quotient of 35 divided by 18. The index of 4 is a perfect grade.

10. *Good Standing.*

A student is in good standing when at the end of each term: (1) he has maintained an index of 2.0; (2) he has not received "Failure" or "Incomplete" grades in more than one-third of the semester hours which comprise his roster; (3) his disciplinary record is satisfactory; (4) he has met all his financial obligations to the College or has made arrangements regarding them to the satisfaction of the business office.

A student will be considered as a member of the lowest class in which he has not fully satisfied the requirements.

The annual standing of a student is determined on the basis of the average of all his previous semester grades.

11. Scholastic Discipline.

Failure to obtain a final grade of at least D in a course listed on a student's roster results in a deficiency in that course.

Any course dropped without the written permission of the Dean is recorded and evaluated as a deficiency (Failure, F).

Academic censure may assume any one of three forms, depending on the gravity of the situation calling for scholastic discipline.

Probation. This is a status wherein a student with a failure in one or more courses forfeits, at the discretion of the Dean, the privilege of cuts, participation in extra-curricular activities, and eligibility to class office.

Suspension. Forced withdrawal from courses and residence with the privilege of returning at the discretion of the Dean.

Dismissal. This is forced withdrawal from courses and residence without the privilege of seeking re-admission.

Whenever, in the opinion of the Committee on Academic Standing, a student shows by poor scholarship that he is no longer profiting by the educational program of the College, he shall be dismissed.

If, at the end of the scholastic year, a student has grades of less than "D" in one half of the credit hours of his official roster for that year, he shall be asked to withdraw.

12. *Scholarship Students.*

An honor student, who has been appointed to scholarships, or who has earned a scholarship in competition, is expected to maintain a B average (a general average of 3.0); otherwise, the scholarship will be forfeited.

13. *Concentration.*

At the end of the fourth term, every student shall be required to choose the area of instruction in which he wishes to concentrate in the Upper Division. Permission to concentrate in the chosen area will be granted to those students who have attained at least a "C" grade in the courses which are required for that area in the Lower Division. A student who fails to qualify for an area of instruction may not advance to the Upper Division.

14. *The Dean's Honor List.*

The Dean's Honor List is published at the termination of each semester.

Those students who have gained an average of "B" for all subjects are placed on the Dean's list. No grade may be below "B," however. To be eligible for this list, a student must have complied with all of the regulations of the College and must be free of all academic censure. Freshmen are not eligible for inclusion on this list.

Students on the Dean's list are excused from the regulations governing attendance at class. However, they are expected to fulfill the requirements of every course rostered, whatever be the nature of the requirements.

15. *Honors.*

The bachelor's degree, with distinction, shall be conferred on a student who has completed his Junior and Senior years at the College with a general average not lower than "B" and without having incurred the penalty of loss of good standing for disciplinary reasons.

In the computation of honors, the candidate for the bachelor's degree who has earned an average of 3.8 in all courses during his Junior and Senior years will be graduated with the designation *maxima cum laude*.

A candidate who has earned an average of 3.6 during the same period of time, will be graduated with the distinction *magna cum laude*.

A candidate who has earned an average of 3.4 will graduate with the distinction *cum laude*.

Only the names of those students who are to receive degrees on Commencement Day will appear on the program of the graduation exercises.

All students who are to receive degrees on Commencement Day are required to attend the Commencement Exercises, unless specifically excused by the President of the College. Students who are excused must notify the Registrar that they will not be in attendance.

16. *Requirements for Degree.*

The candidate for the bachelor's degree must complete course work equivalent to 128 semester hours and must attain a quality point score of 128.

He must likewise have fulfilled all the requirements of the Area of Instruction in which his curriculum was followed.

Eight semesters are required for a degree. The last four of these must have been spent at La Salle College. Veterans who were enrolled in La Salle College before being inducted into the service may graduate in seven semesters or as soon after that time as they have fulfilled all the requirements for the degree.

A candidate for the degree must have removed all failures in those courses which are listed in his particular Area as being required. In all cases, final judgment will rest with the Committee on Academic Standing.

17. *Awards.*

Each year, through the generosity of friends of La Salle College, awards are made to those Seniors and other members of the student body in recognition of excellence achieved in the various fields of College activity.

The *Honorable William F. Harrity Memorial Award for Religion*, which is open to all students of the College;

The *Anastasia McNichol Memorial*

Award for the English Essay, which is open to all students of the College;

The Sir James J. Ryan Memorial Award, which is offered to the Senior with the best scholastic record;

The William T. Connor Award for the Senior who has the best scholastic record in the Sciences;

The Honorable Vincent J. Carroll Prize for the Senior who has the best scholastic record in Philosophy;

The Vernon Guischard Award for French granted annually to the student in the Upper Division of the department of French who has maintained the best scholastic record in the study of the language and literature of France during his course of study;

The John McShain Prize offered to the member of the Senior Class who has maintained an excellent scholastic record and is considered by the faculty to have done most for the public welfare of La Salle College. In determining the winner of the McShain Award, the Committee on Awards con-

siders the following features of a Senior's record at La Salle: Scholastic; Cultural, which includes participation in such activities as debating, the glee club, dramatics, etc.; Social, participation in the conduct of activities in this area; and finally, the responsibility assumed by the individual in general service to student activities.

About one month before Commencement, all Seniors are requested to submit to the Committee on Awards a list of the activities in which they engaged over a period of four years. An evaluation of these activities will enable the committee to select the Senior to whom the Award is made.

18. *Change of Courses.*

A student may make, with the approval of the Dean, a change in his roster of courses before the lapse of one week following the beginning of a semester. Courses dropped or discontinued without the approval of the Dean after this period are recorded as "Failures" and are so evaluated for

all purposes. The classes missed in the course to which the student transferred ordinarily are charged against the student.

19. *Change of Curriculum.*

A student who transfers from one Area of Instruction to another must obtain the permission of the Dean and must meet all the requirements of the courses to which he transfers. In no case may a student who transfers receive promotion or a degree sooner than he would have received it, had he not transferred. No degree may be received less than one year after a change of curriculum.

20. *Withdrawal.*

A student who withdraws from the College must submit a written statement to that effect to the Dean's office. The date of filing a notice of withdrawal shall be considered as the date of withdrawal in each case.

A request for a transcript to be sent to another college (not a professional or graduate school) is considered as

an intention to withdraw. Such a student is dropped from the student register at the end of the semester during which the transcript was requested.

When a veteran files a statement of withdrawal, approval must be secured from the Dean's office and from the office of the Veteran's Advisor.

21. *Outside Work.*

A student who plans to support himself in whole or in part during a semester should obtain the approval of the Dean and should report the details of the proposed employment to the Dean's office. The sole reason for this is helpful guidance of the student's program of study.

22. *Religious Instruction and Philosophy.*

Every Catholic student, unless excused by the Dean, must follow the prescribed courses in Religious Instruction for the first four semesters on the lower division. If a student is a

transfer, he must make up these courses.

Non-Catholics students are not required to follow the courses in Religious Instruction.

Each student must follow the prescribed courses in Philosophy on the lower and upper divisions. The required number of hours in Philosophy covering both divisions is 18.

GENERAL REGULATIONS

1. *Bulletin Boards.*

The official bulletin board of the College is located near the Twentieth Street entrance to the College building. Other bulletin boards are departmental. Students are held responsible for all notices appearing on the official bulletin board within twenty-four hours after posting.

Student groups making use of the bulletin board for announcements of their activities shall type or print neatly such notices on a piece of paper that measures approximately eight inches by eleven. For shorter notices, a piece one-half this size may be used. Notices which are carelessly prepared are subject to removal without explanation. After a notice has expired, those responsible for its posting are expected to see to its removal.

Posters or notices advertising events held outside of the College's jurisdiction must have the permission of the

Dean's office before they can be exhibited on the official bulletin board.

Students are prohibited from affixing notices to any part of the wood-work or walls in corridors and classrooms. Failure to comply with this regulation will subject students to disciplinary action.

2. Student Discipline.

There is no elaborate set of regulations which defines the conduct of La Salle men. They are expected to act at all times with the propriety befitting Catholic young men. Any departure from this standard of conduct, on or away from the campus, is subject to such disciplinary action as may be deemed necessary by the college authorities. Such action will be directed by the President or Dean of the College after the Faculty Disciplinary Committee reviews the case.

This non-scholastic disciplinary action may take one of the following forms:

A. *Probation*—wherein a student has shown himself guilty of misconduct sufficiently grievous to warrant notice by the College authorities and where his status as a College student is such that privileges (including academic) ordinarily granted a student are temporarily denied him. A student on probation is subject to close supervision by the faculty. The time limit for the period of probation is set by the Dean.

B. *Suspension*. Such action is taken when the misconduct drawing censure assumes grave proportions. Suspension means exclusion from classes until the end of the semester during which the student draws such action upon himself. Suspension does not deny the student the privilege of re-entering the college at the start of the following semester or at some future appropriate time.

C. *Dismissal*. A serious breach of the canons of conduct expected of Catholic young men may result in dis-

missal. Such action means exclusion from classes without the privilege of reentering them. Usually such action means dishonorable withdrawal and an entry is accordingly made on the student's permanent record.

3. Demeanor.

The deportment, dress, posture, actions, language, and tone of voice of a cultured college man are expected at all times.

4. Property Damage.

In the event of damage to any building, furniture, apparatus, or other property of the College, students responsible for such shall be held liable and subject to disciplinary action.

5. Fire Prevention.

Smoking is strictly prohibited in classrooms and laboratories and throughout the College building above the basement floor.

Smoking is restricted to the basement locker room and student lounge.

Temporary regulations permit smoking in the corridors.

Students are requested to exercise extreme care not to throw lighted cigarettes into waste containers.

6. Campus Pride.

Students are requested to respect the neatness of College buildings and grounds. Receptacles are provided for articles to be discarded.

Lunches are to be eaten in the cafeterias. No lunches are to be eaten in classrooms, corridors, laboratories, or lounge rooms. It is specifically forbidden to eat lunches on the College quadrangle.

Students are not permitted to use the quadrangle as a playfield.

Students are strongly exhorted not to make short cuts through the quadrangle and other lawns.

7. Parking Regulations.

Parking is prohibited before the entrances to the College building and faculty house. The space directly in front of the residences on the north-east side of Twentieth Street is not to

be used for student parking, out of courtesy to the residents there.

S. Non-Liability.

The College will not be responsible for books, articles of clothing, etc., left behind by the student when he leaves the premises or even when he is on the premises; nor will it assume responsibility for the loss due to theft, fire, etc., of books, clothing, or other articles in possession of the student.

Permission to use class or lecture rooms for student meetings must be secured from the Dean.

9. Insignia.

No insignia bearing the seal of the College can be used by any organization without the specific approval of the Dean in each case. This refers to club keys, class rings, and any other emblems bearing the College seal. The sale of class rings bearing the seal of the College shall be transacted through the College store.

Students are not permitted to wear

athletic insignia of other institutions on the campus.

10. *Out-of-Town Students.*

All out-of-town students must register their local residences with the Dean's office. Such residences are subject to inspection by the College. If found to be unsatisfactory, the student concerned will be notified and placed on probation until he obtains new, approved quarters. The Dean's office provides such students with a list of available rooms that are approved.

11. *Advertisements.*

No student may solicit or accept advertising material or enter upon any contracts pertaining thereto for use in any publications, programs, or announcements connected with the College in any way unless both the purpose of the advertising and the names of the prospective advertisers are approved by the class counselors, moderators, or Dean.

12. *Campus Store*

The La Salle College Campus Store

is a service provided for student convenience. It is located in Leonard Hall. All books, supplies, and class materials may be procured there. It is the policy of the Campus Store to offer these necessities at reasonable prices in keeping with market trends. The Campus Store provides the student with the opportunity to procure such articles as sports wear, jewelry, pennants, religious articles, novelties, etc.

13. Merchandising.

All students are forbidden to engage in merchandising of any kind on the premises of La Salle College.

14. Lockers.

Lockers may be rented through the Campus Store.

15. Mail.

Ordinarily, student mail is not to be addressed to the College. Whenever such mail is received it will be distributed through the campus store.

16. Telephone Messages.

Telephone messages are not delivered

personally except in cases of emergency. Messages will be reported on the bulletin board.

17. *Use of Facilities.*

Student groups desiring to use the facilities of Leonard Hall should first secure approval of the Dean's office and then arrange with the student manager of Leonard Hall.

18. *Public Address System.*

Announcements over the public address system are prefaced by the signal, "Attention, please!" Students are requested to pay close attention to such announcements.

CLASSES

During the period of acceleration, irregularity of class standings rendered class organization difficult. The gradual elimination of second term standing is restoring the traditional levels of the classes. It is desirable and conducive to normal student activity to organize classes according to these traditional levels. Whenever possible,

class groups should regain their complete autonomy and elect the usual class officers.

1. Class Officers.

The class officers shall be a President, Vice-President, Secretary and a Treasurer.

Any member of the class who is carrying a failure in his studies may not serve as a class officer or chairman of any committee representing the class or the student body as a whole. Should a student who falls into any one of the aforementioned categories receive a failure during a term of office, he loses his office automatically, and another student, in good standing, may be elected to fill out the unexpired term.

2. Class Elections.

All elections and meetings must have the consent of and be supervised by the class counselors. The minutes of the meetings must be available to the President and Dean of the College upon their request. Elections, appoint-

ments, as well as general or particular business of class or general student bodies, may be nullified by the President or Dean of the College when such is considered necessary for the common good.

Class officers for the scholastic year should be elected toward the close of the term preceding the scholastic year for which the elections are held. Ordinarily this period would fall during the final weeks of the Spring semester, the officers, then, beginning the discharge of their duties at the start of the following scholastic year. During the period of transition, this may not be possible in every case.

The Freshman Class may elect trial officers during the Fall term but their term of office will last only for the time specified by the Class. The final election of Freshman Class officers will be held at the end of the Fall term.

The method employed in the elections shall be similar to that used in civic elections. In general, this shall

mean a written ballot to be cast at a central polling place.

That the election be considered valid, two-thirds of the total possible vote must be polled for any office in question.

A committee of three, appointed by the class president, or, when that is not possible, by the class counselor, shall comprise the official board to count the ballots and to announce the election returns. This board shall be under the direct supervision of the Counselors.

ORGANIZATIONS

Student groups, organized for specific purposes be they social, academic, athletic, religious, contribute desirable outcomes to student life as a whole. Campus life is incomplete without such groups and organizations. Pre-war days witnessed many desirable campus groups. Their speedy revival will tip the balance toward normalcy.

Student groups require the permission of the faculty by way of the

Dean's office. Specific approval of the nature and purpose of such groups insures their harmonious blending into campus life. A group is given official status as a student organization when faculty approval is granted. The general regulations governing the conduct of classes as groups applies to particular student organizations likewise.

To avoid the vagueness and generality induced by large memberships, no group may comprise a number that exceeds sixty. When membership exceeds this level, there is great difficulty in preserving the specific objectives of a group and gradual disintegration with consequent dissolution results.

Clubs and societies should work in close cooperation with their faculty counselors. This always insures unquestionable propriety.

The following organizations have been a rich part of La Salle's traditions:

The National Federation of Catho-

lic College Students (NFCCS). The NFCCS operates on the basis of national and regional commissions. The Youth Department of the National Catholic Welfare Conference requests member colleges (there are 152 at present) to select or elect two students who will act as representatives of their college on the regional executive council. These two students report on the activities of the national or regional commissions held by the school they represent and help to plan the program for the region. The NFCCS sponsors such commissions as: Inter-American Affairs, International Relations, Interracial Affairs, Mariology, and Catholic Action Study. The NFCCS is one of the groups which carry out the papal definition of Catholic action. La Salle College is in the NFCCS to a major degree holding the chairmanship of the Regional Council (consisting of six colleges and also the Regional Commission on International Relations.

The International Relations Club.

The IRC is affiliated with the Carnegie Foundation for International Peace and with the National Federation of Catholic College Students. During the past four years, La Salle College has received the regional commission on international relations from the NFCCS executive council. The IRC is open to all students of La Salle in good standing. It endeavors to develop discussion leaders and offers opportunity to practice parliamentary procedure. Regular meetings are held in which papers are presented or panel and round table discussions are conducted. There is a regional intercollegiate meeting monthly, and, from time to time, radio discussions are presented over WFIL. The officers elected are: a chairman, (who is also intercollegiate chairman as long as La Salle holds the regional commission) a vice-chairman, and a secretary (who is also regional secretary).

The Podium Society

The purpose of the Podium Society is to encourage interest in classical and semi-classical music. Weekly recorded concerts are presented to further the appreciation of fine music. These concerts consist of excerpts from operas and symphonies, as well as data regarding the works and lives of the great composers. In addition to the regular schedule of weekly concerts, a number of evening programs are given to which members may bring guests. After two years' membership in the organization, the Podium Society Gold Key is awarded provided a member has maintained a satisfactory scholastic average.

The Masque

The Masque is a dramatic group offering opportunities to students interested in the stage. The annual program includes short presentations on the stage and radio, climaxed by a full length play in the Spring.

Student participation in this extra-curricular activity covers all aspects of stage work. Besides acting, members of the Masque take part in make-up and costume work, scenery construction and lighting, as well as the business of promotion associated with dramatic productions.

The Glee Club

Traditionally the Glee Club at La Salle has been a symbol of the high appreciation of the finer things of life found among La Salle men. Not only has the Glee Club been a musical group; it has always been a friendly group whose members were held together by a fraternal spirit of comradeship. The Glee Club sponsors several recitals during the year, at which guests soloists perform.

The Varsity Club

The purpose of the Varsity Club is the organization of the lettermen in a society to advance and improve varsity and intramural athletics, to stimulate

student interest, and to support athletic teams. To be a member, a player or manager must have earned the Varsity Letter. The club usually conducts a dance and offers financial assistance for athletics when needed.

The Radio Club

The present Radio Club is a revival of a similar function of La Salle that was activated at the time of World War I. It is the aim of this organization to further the interest of the student body in radio and its allied fields. To accomplish this aim the following provisions have been set forth:

1. Informal instruction on radio fundamentals, electronic equipment, and code by the physics department and by members of the club.
2. Establishment of a College radio station and its operation and maintenance.
3. Practical application in the development of laboratory techniques.
4. To assist in the maintenance of the electronic apparatus in the various

laboratories and at the same time providing technical advice on the functioning of such apparatus.

Radio Workshop

With its membership open to all undergraduates interested in the artistic or mechanical techniques of radio, the Radio Workshop was formed at La Salle in the Spring of 1947.

The Workshop is all that the name implies: original script-writing, and skills in acting, directing, and producing for radio are emphasized at weekly sessions dedicated to group participation and criticism. Lectures, films, and visits to studios in the Philadelphia area comprise an auxiliary program.

Aiming finally at the production of scripts for actual presentation on the air during the school term, the Workshop has secured the critical assistance of a well-known Philadelphia news-analyst, as well as the cooperation of the English faculty.

Gamma Chapter—Sigma Beta Kappa.

In the Spring of 1947, the Gamma

Chapter of Sigma Beta Kappa was formed on the campus of La Salle College. A national Catholic organization devoted primarily to the development of character and campus leadership on the basis of a strong sense of Christian morality, the fraternity membership is limited by its charter to a small segment of the student body.

Any undergraduate of the College may be pledged to Sigma Beta Kappa, the deciding factors in the selection of new members being the ability of the pledge to carry out the aims of the group.

Each chapter of the National Fraternity is required to adopt as a secondary aim some political, social, or economic phase of Catholic action. Prior to the final approval of its charter and by-laws at the end of the Summer of 1947, La Salle's Chapter, in a unanimous decision of its charter members, voted to advance a sound program of Catholic Youth Welfare.

Honor Society of Alpha Epsilon

The Alpha Chapter of the Honor

Society of Alpha Epsilon was established at La Salle College on June the third, 1935. The purpose of the society is to provide suitable recognition of scholarly attainment in conjunction with extra-curricular activity as well as to promote closer affiliation between students, alumni and the faculty. Members of the Senior class are eligible for election. Candidates for membership are nominated by members of the College faculty and elected by the society.

The La Salle Collegian

The *La Salle Collegian* represents the results of undergraduate activity in journalism. The publication is issued bi-weekly by the students of the College, and offers not only an opportunity for the practical application of various forms of English composition, but also records the academic, social and athletic events of the year in historical sequence. The paper enjoys a high standing among similar student publications.

The Newtonian Society

The Newtonian Society is an academic organization devoted to the interests of students in the physical sciences. The society sponsors frequent lectures, given by the faculty, members, or invited guests.

The Newtonian Society likewise supports other activities of a scientific or social nature, as the opportunities of the school calendar and the interest of the members direct.

REGULATIONS COVERING EXPENDITURES BY CLASSES AND STUDENT ORGANIZATIONS

1. All expenditures must be authorized by the Treasurer of the organization and must have the approval of the President of the organization and the Counselor of the group.
2. A receipt must be obtained for every expenditure. Within a week after the holding of any function involving the expenditure of money belonging to the organization, a financial statement and all receipts must be turned over to the Counselor and the funds deposited at a place selected by the organization.
3. Two months prior to the date of any function, the committee in charge shall present to the Counselor, or to the assembled members of the organization, a complete budget of expenses, including the report of the Treasurer of the organization. Once it has been approved, this budget may not be

exceeded without the express consent of the faculty counselor.

4. All tickets must be numbered, including complimentary tickets. A master work sheet shall be kept at the door during the affair, listing each ticket, name of person holding ticket or student to whom the ticket was entrusted, and whether or not the ticket has been paid for.

5. Within a week following the function, as stated in Rule 2, the committee shall turn over to the faculty counselor as well as to the organization:

- (a) A complete financial report of all receipts and expenditures;
- (b) All receipts; and,
- (c) The master work sheet showing the status of all tickets printed.

6. The Treasurer shall keep an exact record of all receipts and expenditures in a book provided for the purpose. This book shall be available for examination by the President of the organization and by the faculty counselor. The Treasurer shall turn over this book

to the counselor at the time of the election of new officers. Any deposits which may exist at that time must be turned over to the counselor.

7. No contract involving the name of La Salle College may be negotiated without the written authorization of the President of La Salle College.

ATHLETICS

McCarthy Stadium

Intercollegiate football had been discontinued at the outset of World War II. McCarthy Stadium was the scene of many a thrilling Explorer battle. Presently, the stadium is used for track and field contests. The acquisition of several Quonset huts has increased dressing room facilities for outdoor sports.

The Field House

A spacious gymnasium is located on the southern wing of the quadrangle. It is equipped with modern folding bleachers, which, drawn back, make available three courts for basketball. The main floor permits a spacious area for major contests. Suspended glass backboards complete the modern dress of the gymnasium.

The Athletic Field

Adjacent to the quadrangle and running the full length of the stadium is an extensive athletic field on which

are located several baseball fields, softball fields and volleyball courts. Hard-surface tennis courts can be used in season and out of season.

The Boathouse

Through the generous courtesy of the Vesper Boat Club, a beautiful and handsomely equipped boathouse is available to the College. The boathouse is located in Fairmount Park, along the rowing course of the Schuylkill River.

Intramural Athletics

The program of intramurals is developed to satisfy the needs of the student body to the extent permitted by available facilities. Intramural leagues in seasonal sports—touch football, basketball, tennis, baseball, softball, volleyball, swimming—are formed. Every student enrolled at La Salle is eligible to participate in the intramural program.

Other activities will be added as rapidly as student interests demand and facilities and equipment permit.

Students are urged to make known their interests and desires to the Director of Intramural Athletics.

Intercollegiate Athletics

The program of intercollegiate competition includes basketball, baseball, tennis, track, crew, swimming and golf. All students are eligible to compete for varsity positions in these sports. Candidates are called at the beginning of the season in the respective sports.

Athletic Awards

To be eligible for a varsity athletic award, a participant in a varsity sport must meet the following requirements:

- (a) At all times he must conduct himself as a true gentleman, seeking to advance himself and to promote the best interests of his team and his college.
- (b) He must meet the scholastic requirements demanded of all students.
- (c) After he has been recommended by the coach of the sport in which he has participated, and after he

has merited the approval of the Athletic Council, and after he has fulfilled the requirements as they are indicated below, he shall be awarded a letter for each sport in which he took part.

Basketball

To be eligible for a varsity award in basketball, a participant must have taken part in a majority of halves in all games played during the official season. (By majority here is understood one more than half the total number of games played on the regular schedule.)

Baseball

To be eligible for a varsity award in baseball, a participant must have played in a majority of innings for one season. (By majority here is understood one more than one-half the total number of innings played in the regular season.) (A pitcher or a catcher must take part in at least one-

half the number of innings required of the other players.)

Track

To be eligible for a varsity award in track, a participant must:

- (a) Win one or more points in an open conference meet (Middle Atlantics or IC4A);
- (b) Win a total of fifteen or more points in no less than two meets in a season.

Swimming

The requirements shall be the same as those in track.

Tennis

To be eligible for a varsity award in tennis, a participant must have taken part in one-half of the regularly scheduled meets. A member of the squad who wins a conference singles championship or who is a winner in a doubles championship shall be eligible for an award.

Golf

To be eligible for an award in

golf, a participant must have taken part in one-half of the regularly scheduled matches, or must have competed with credit in an annual conference tournament. (To have competed with credit shall be interpreted as having placed in the upper fourth of the competing group.)

Crew

To be eligible for an award in rowing, a member of the crew must have taken part in one-half of the regularly scheduled races.

The Varsity Award

Basketball, baseball, swimming and track are considered major sports at La Salle; tennis, golf, crew are minor sports. The award shall be an eight-inch block letter of gold; or, in some cases, blue. The granting of a sweater award is at the discretion of the Athletic Council. Sweaters are awarded to those winning their first major or minor letter. The second sweater may be awarded in the Senior year. Sweaters won in the Senior year shall

have the number of stripes on the left sleeve equal to the number of letters won in that particular sport. A contrasting colored stripe shall denote a captaincy in that sport.

Admission to Athletic Contests

Students are admitted to home basketball games played in the College gymnasium by presenting the Activities Book. Special student tickets are available for games played in Convention Hall.

THE COLLEGE MARCH

“Men of La Salle”

Men of La Salle, we are marching
With our colors of Blue and Gold.
Meeting our foemen with valor
For we'll fight for the glory of old.
So let's to the battle with courage
For our goal is now in sight;
And we'll hope, fight, and cheer
With all our might so strong
'Till nobly we have fought and won
the fight.

Chorus

Fight on to victory!
Onward our watchword be.
We're out to win this game with all
its honor.
For you, La Salle, we'll always fight
and conquer.
Fight on to victory!
Let all your courage see.
And homeward we'll cheer thee
As sons of La Salle
So fight on to victory!
